Girls Basketball Records - Individual

The AIA girls basketball record book includes conference leader and top overall performance listings for each category updated by Seton Catholic High School girls basketball coach Karen Self and her husband. Original state records compiled by former AIA historian Barry Sollemberger. If there are any listings that need to be updated or added, please e-mail Coach Self with all supporting documentation at:

kself@setoncatholic.org

Arizona's leader with 12 state championships (all since 1996-97), Self is close to becoming the state's leader in career wins, about to pass her high school coach Miner Webster. Self has created a program that thrives on success and doing things the right way. Many of her former players have gone on to have lucrative college careers, and some even going to the WNBA.
