Beach Volleyball Results Entry Process

Coach Process:

1. Obtain a Login: https://admin.aiaonline.org
   o Coaches: If you don't know your login, please see your AD so they can send you an account invite.
   o You can also use the password reset option and use the email address they have listed for you under the member directory as the coach: http://aiaonline.org/schools
2. Login to the School Page
3. Click Rosters
4. Enter Your Roster One by One
   o • Enter Players to your lineup for singles and doubles teams
   o • You can edit this throughout the year

5. Enter Match Scores

• You can then enter the set scores for each match
o   If a school doesn't have a roster in, it will show as "No Player" for that matchup
o   It's advised that the schools add their rosters before entering match scores, although, a school can add a roster afterwards and edit the players involved in each flight at a later date

• Click "Save Match Scores" to finalize.
