

Tennis Rosters and State Entries

Attention Athletic Directors and Tennis Coaches:

It is **required** for every coach to have their **roster** listed on the AIA website. This process is done through the school login page. (Instructions can be found on www.aiaonline.org, select Coaches, select Tennis, select "Varsity Rosters – How to Create")

Individual State Tennis Entries (One singles entry & one doubles entry)

- **At 12:00 pm (noon) on Thursday, April 17th State Tennis Entries Close.**
- Coaches must enter their singles and doubles selections from the roster on their school's login page by the entry deadline. (A coach cannot enter individuals into the state tournament without a roster entered.)
- Once the entry deadline passes, there will be no additions to the state entries for the Individual Tournament.
- Individual State Tennis Seeding Meetings are as follows: **Div. I - April 19th (9:00 am)**, **Div. II - April 19th (12:00 noon)**, **Div. III - April 21st (5:30 pm)**

Team State Tennis Line-ups

- **At 12:00pm (noon) on Sunday, April 27th State Team Tennis Line-ups are due.**
- Coaches must select and list their line-up from the roster on the school's login page. The coach must list in rank order their singles player's #1 - #6 and their doubles teams in rank order #1 - #3.
- In addition, the coach must list any remaining players (that they think might be needed if there is sickness or injury to the ranked players) as alternates. No player can be entered into a match that is not listed as a ranked player or as an alternate.

Thank you in advance for the attention to this very important matter.
