

All Div. III and Div. IV wrestlers previously entered into their Sectional Tournaments will qualify to this year's State Tournament.

The Sectional Champions will be determined by the team's placement in the State tournament and be awarded a plaque.

A 32 man bracket with pigtails will be used.

The pigtail matches will be used to advance only the winning wrestler into the 32 man bracket.

NO team points will be scored for pigtail matches.

A loss in the pigtail match eliminates the wrestler from the 32 man bracket.
