

1A NORTH ATHLETIC DIRECTOR MEETING MINUTES
APRIL 26, 2012

I. ROLL CALL

Ashfork, Fredonia, Joseph City, Mogollon, Rock Point, Rough Rock, St. Michael, Seligman

Absent: Beaver Dam, El Capitan, Grand Canyon, Shonto Prep, White Cone

II. APPROVAL OF MINUTES

Minutes from Aug. 25, 2011 read and accepted with a motion by Seligman and seconded by Fredonia

III. NEW BUSINESS

A. Discussion regarding the purpose of the region meetings, they are only to get out information and to make recommendations. Any items that we want brought to a state meeting would have to be included on those agendas. If they are not on the agenda it will not get discussed.

B. Discussed Competitive Equity committee proposal regarding issues/effects on schools, most supported the proposal. Would like to see school enrollment cut-off for 1A to be between 180-200 students.

C. Discussed various concerns about the length of basketball play-offs. What is the purpose of the sectional tournament since it did not change any of the standings? How can we make schedules more equitable for all schools? Recommend more freedom games or play half of the games in the section and half in the geographic area. There were concerns regarding Player and Coach recognition, some coaches don't enter information and haven't seen all the teams in the section, so how do we vote for them? We want to give the players recognition, we just need some direction on the issue. There was a concern about Tuesday/Wednesday games for Baseball/Softball state tournament. If Fredonia wins on Wednesday, do they travel home on Thursday to return again on Friday, or would they stay the week? We would like to see Friday/Saturday games only. There was also some discussion about football with the teams that are dropping and those wanting to come in.

IV. ELECTION OF OFFICERS 2012-13
