SPECTATOR BEHAVIOR

The National Federation of High School Associations disapproves of any form of taunting which is intended to embarrass, ridicule or demean others under any circumstances. (National Federation Rule 12, Section 1).

AIA Bylaw; Article 16.3.4 stipulates that student spectators, parents, or other non-school personnel that initiate or use profanity in cheers or chants having the intent of sounding profane, single out opposing players personally and/or heckle them by directing derogatory or profane statements or chants at them, use racist remarks or direct offensive cheers /chants at opposing individuals, teams or fans are in violation of the AIA sportsmanship rules. At all contests, including region and state tournament contests, participating school's administrators have the responsibility to control their fan behaviors, either student or adult.

Any spectator conduct that becomes unruly or interferes with the orderly progress of the game will result in the suspension of the game until offending spectator(s) are removed from the game site. Artificial noisemakers are prohibited at state playoff venues. If any artificial noisemaker is brought into a game site, the item will be confiscated. The playing of music/sound effects shall only be permitted during pre-game, time-outs, intermission and post-game and will be under the control of the site game announcer. (National Federation Rule 12, Section 3).

TOURNAMENT SIGNS/ARTIFICIAL NOISEMAKERS

Signs are not permitted at any indoor tournament sponsored by the AIA. (AIA Bylaw 12.1.4)

The use of artificial noisemakers is prohibited. (NFHS Volleyball Rules; Section 8)

MEDIA CREDENTIAL POLICY

AIA has a Media Credential Policy that needs to be followed to protect the proprietary rights of the Association and to protect the student-athletes and coaches at region and state tournament events. The following link (http://aiaonline.org/news/press_center.php) is to the AIA Media Center which houses the AIA Media Credential Form and the AIA Approved Media List (those that have requested and been granted AIA media credentials). Please download the AIA Media Credential Form and should a media member need access that is not on the media list, they will need to sign off on the form. Please print out several of the Media Credential Forms so each media outlet fills out its own form. Should the media member refuse to sign off on the form, they will not be granted access to the region or state tournament event you're hosting.

At the conclusion of the event, please fax or mail those forms to the AIA so that we may follow up and credential those people the approved media list will be updated as forms are received and processed. Please download the AIA Approved Media List (which is constantly being updated) so that those members of the media that are already approved may be granted access. Please note that some members of the media might show up with Freelance Credentials. These have no pictures on them, but do allow for access to the event per the designated media outlet on the AIA Media Credential.
