The Arizona Interscholastic Association is excited about the opportunity to provide our officials the opportunity to improve their skills and garner valuable officiating philosophies, methodologies, and information through the **AIA Day @ The NASO Summit held at the Tucson Marriott Starr Pass Resort on Saturday, July 25, 2009.**

An outstanding schedule and lineup of speakers and presenters have been tabbed to provide outstanding instruction. Marla Denham, Big Sky Commissioner of Officials; and Joan Powell, NCAA and Olympic Officials Trainer, will be working with our own AIA instructors to bring you an exciting day.

This will be a mandatory statewide clinic, held in the morning at a local Tucson High School, with all attendees returning to the resort property for lunch and afternoon sessions.

YOU MUST REGISTER FOR THIS EVENT. GO TO THE WEB SITE – www.azfoa.org/NASO/ - and register under the tab for Volleyball. If you are a female official, also register for the Women In Officiating Symposium.
