WINTER SPORTS

On a motion made seconded and carried the Executive Board **approved** the following update for the winter sports season based on the recommendations from the AIA Staff:

- Delay the start of the winter season until January 18th. This gives two weeks after the winter break for schools to get back into hybrid or in-person learning. In addition, it shows that we respect the concern by the Sports Medicine Advisory Committee and if someone was to contract COVID during the winter break, provides time to quarantine and no longer be a carrier.
- Full seven (7) week season will occur with state playoffs to follow.
- Delay the start of the spring season until March 1st.
- Individual Conferences may determine to adjust their spring season and end at the currently scheduled time or to extend season two additional weeks.
- AIA Staff will adjust all winter schedules. Schools will then have the ability to make any additional changes.
- All winter sports modifications remain in place and required to be followed.

There being no further business, and on a motion duly made, seconded and carried, the meeting adjourned at 10:22am.

Respectfully submitted,

David Hines,
Executive Director
